***Reply to Final Office Action of October 15, 2008 and Request For Continued Examination***

This response and request for continued examination is in reply to the final office action of October 15, 2008, issued in regard to U.S. Patent Application No. 10/750,378 (the "subject application"). A request for continued examination (RCE) accompanies this response. Applicants believe that no additional extensions of time are necessary because this response is filed within the shortened three-month statutory period. However, Applicants conditionally petition for any additional extensions of time that may be necessary to provide for the possibility that the need for such a petition has been inadvertently overlooked. As provided below, please charge any required fees or credit any overpayments to Deposit Account No. 50-2324.

Applicants appreciate the Examiner's thorough examination of the subject application and request reexamination and reconsideration of the subject application in view of the following:
